CTE: Pathways and Tech Slam

Presenters: Colleen Barela, Nicole Hibner, Felicity Johnson, Sylvia Peralta, Alice Yoshioka.

Description: Let CTE take you through the process of creating pathways to bridge the gap for all student success at any level (ESL, academic, high school, and returning adults) through charts and graphs for a clearer understanding of our educational and career pathways. AND don't forget to SLAM IT with us as we take you into the 21st century with Plickers, Google Keep, Google Slides, Edmodo, and Seesaw.

ESL: Progress Report and Rationale

Presenters: Gale Ard, Victoria Banuelos, Laura Jacob, Grace Kim, Gale Lee, Olga Moreno, Karen Neville, Margaret Teske.

Description: During the fall conference, attendees worked in small groups to draft samples of possible student progress report cards. The ESL work group took those samples and suggestions and created a Student Progress Report (SPR) that can be used throughout the consortium. In this session, work group members will explain the philosophy behind the SPR. Session attendees will work in groups to analyze the document and provide feedback to the ESL work group.
